DUAL CREDIT PAYMENT AGREEMENT

By signing at the bottom of this page, you acknowledge that you have read, understand, and agree to the terms outlined below.

Personally responsible—I understand that I am registering for these courses and am responsible for tuition and other fees associated with these courses, as well as any other obligations that become owed to the College. I must follow the add/drop and withdrawal procedures of the College as outlined in the college Dual Credit Registration Packet for the semester of the registration request. Non-attendance or non-completion of a course does not relieve me of my charges.

Financial Aid—In the event that I receive scholarships or any other financial assistance, I understand and agree that the college will use those funds to reduce or pay off any allowable outstanding balance owed to the college first and will only issue a refund to me once the outstanding balance owed has been paid in full. If I do not receive a scholarship or scholarship funds are pending, I understand that I am personally responsible for making the payments due on my account according to the appropriate course payment deadline.

Failure to Pay—I understand that if my account becomes delinquent (which may include but is not limited to, tuition and other fees associated with the courses, financial aid, student activity fees, and other campus and college fees), I will be liable for and agree to pay the college all costs and expenses incurred by the College in seeking collection of the delinquent obligations, including but not limited to fees and other costs charged by third parties, such as reasonable attorney fees and costs. Further, I understand that the college may refer my delinquent account to a third party collection agency. If that occurs, I agree to pay any fees and costs assessed by the collection agency, which may include a fee calculated on a percentage not to exceed 33% of the outstanding delinquency.

Drop for Nonpayment—I understand and agree that if I fail to make any payment prior to the payment deadline, a \$50 late fee will be applied to my account and I may be dropped for nonpayment after 5pm on the drop deadline. Being dropped for non-payment is not a guarantee and will not replace my requirement to submit an Add/Drop Form to the Dual Credit Office for any course I intend to drop. If you are dropped for nonpayment, no grades or official academic transcripts will be awarded. Students seeking reinstatement after being dropped for nonpayment will be charged a reinstatement fee of \$10 per credit up to \$120.

Holds—In the event of default, in addition to any other legal or equitable remedy allowed by law, which the college hereby expressly retains, the college reserves the right to withhold official academic transcripts, grades, diplomas, certificates, registration for subsequent semesters, payroll checks, or any other services not specifically listed herein.

Dropping a Course/ Withdrawal—I understand that if I choose to drop a course after signing this agreement, I am entitled to a 100% refund of the tuition if I do so PRIOR to the census date published in the official academic calendar for courses taken on-campus or online. For dual credit courses being taught within a high school location, this must be completed PRIOR to the drop and refund deadline given in the college Dual Credit Registration Packet. If I withdraw from a course after the drop and refund deadline, I will be held responsible for the full tuition and fees related to that course.

Authorization—I will inform the college within ten (10) days of any changes in my home address, phone number, or status as a student at the college. I hereby authorize the college and its respective agents and contractors to contact me regarding my financial aid and/or student account, including but not limited to any balances due or for delinquencies that are owed the College, at the current or any future number that I provide for my cellular phone or other wireless device, using automated telephone dialing equipment or artificial or prerecorded voice or text messages, or otherwise.

The undersigned cosigner, often the parent or legal guardian, to the Dual Credit Payment Agreement (above) hereby agrees to be bound to all terms and conditions stated within the aforementioned Dual Credit Payment Agreement. The undersigned further acknowledges and agrees that, by signing this document, I am personally responsible for all amounts owed in accordance with this agreement.
